

Katja Davar

Crystal Networks - Crystal Trees, 2013

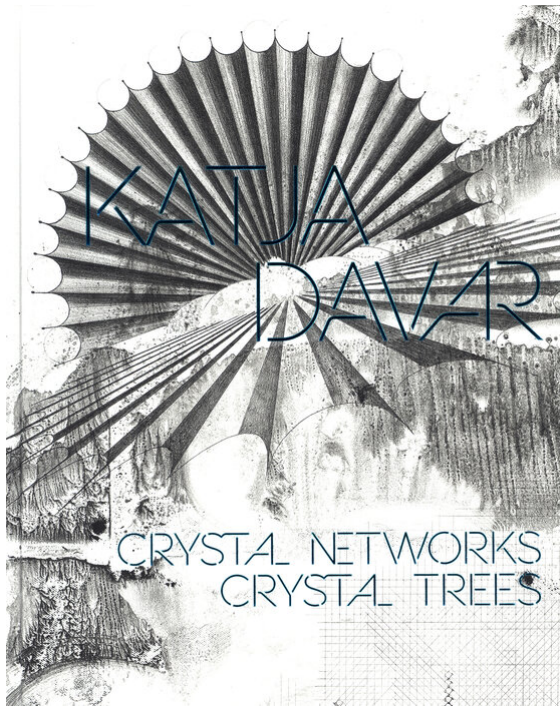

Publisher: Revolver Publishing Berlin
Editors: Dr. Lizzie Gilbert, Daniela Böhmier
Design: Sabine Pflitsch, Andreas Tetzlaff
English, German
78 pages with illustrations
27,5 x 22 cm, hardback

ISBN: 9783868953213

The background is a complex, abstract composition. It features a series of dark, radiating lines that fan out from a central point, creating a sunburst or starburst effect. These lines are set against a lighter, textured background that resembles a topographical map or a microscopic view of a crystal. There are also several large, overlapping, organic shapes that look like cells or bubbles. The overall color palette is monochromatic, with shades of gray, black, and white.
